A photograph of a desk setup. On the left, a clear acrylic sign stands on a dark surface. The sign has a small icon of a classical building in the top left corner and the text "Welcome Library Leaders" in a large, white, sans-serif font. To the right of the sign is a silver tablet with a black screen, which is propped up and leaning against the sign. Further to the right is a silver laptop, partially open, showing its keyboard. The laptop has "MacBook Air" printed on the bezel below the screen. In the background, there is a dark, textured container, a black plastic basket, and a clear plastic cup with a white band that has the word "FIVE" printed on it. A piece of paper with some faint, illegible text is also visible on the desk near the laptop.
